### **ITAL 1311 Beginning Italian I** (3 semester credits)

**Prerequisite:** None.

This is the first semester of academic transfer Italian. It is an introductory course intended for students with little or no knowledge of the language. Its aim is to present essential vocabulary and grammar, and to develop the pronunciation, listening, reading, and writing skills necessary for basic communication and comprehension. Customs and cultural insights are also presented. This course is cross-listed as ITAL 1411 but is used *only* in Study Abroad programs. Students may register for either ITAL 1311 or ITAL 1411 but may receive credit for only one of the two.

### **ITAL 1312 Beginning Italian II** (3 semester credits)

**Prerequisite:** ITAL 1311 or the equivalent or demonstrated competence approved by the instructor.

This is the second semester of academic transfer Italian. It continues the oral practice, reading, writing, grammar and cultural studies begun in ITAL 1311. Students are expected to acquire a substantial amount of vocabulary and begin to deal with idiomatic language and more advanced syntax. This course is cross-listed as ITAL 1412 but is used *only* in Study Abroad programs. Students may register for either ITAL 1312 or ITAL 1412 but may receive credit for only one of the two.

### **ITAL 1411 Beginning Italian I** (4 semester credits)

**Prerequisite:** ITAL 1411 or the equivalent or demonstrated competence approved by the instructor.

This is the second semester of academic transfer Italian. This course continues the oral practice, reading, writing, grammar and cultural studies begun in ITAL 1411. Students are expected to acquire a substantial amount of vocabulary and begin to deal with idiomatic language and more advanced syntax. This course is cross-listed as ITAL 1312, which is used *only* in Study Abroad programs. Students may register for either ITAL 1312 or ITAL 1412 but may receive credit for only one of the two.

### **ITAL 2311 Intermediate Italian I** (3 semester credits)

**Prerequisite:** ITAL 1412 or the equivalent or demonstrated competence approved by the instructor.

This is the third semester of academic transfer Italian. This course is designed to further develop students' overall language proficiency and cultural knowledge through more advanced reading, listening, speaking and writing exercises. Grammatical concepts are reviewed and expanded.

### **ITAL 2312 Intermediate Italian II** (3 semester credits)

**Prerequisite:** ITAL 2311 or the equivalent or demonstrated competence approved by the instructor.

This is the fourth semester of academic transfer Italian. This course is a continuation of ITAL 2311. The stress is on reading, composition, grammatical complexities, and intense oral practice, with continued studies of the culture.

\* Note that **ITAL 1311** and **ITAL 1411** are identical courses, except that the first is a three-credit hour version and the second is a four-credit-hour version. The same applies to **ITAL 1312** and **ITAL 1412**. What this means is that the course content is the same for both the first and second course in each pair; what is different is the number of lab hours (and consequently overall hours) necessary to satisfy course time requirements. In most cases, students in a Study Abroad context will be well served to opt for the three-credit-hour courses.
