Prerequisite: PORT 1412 or the equivalent or demonstrated competence approved by the instructor.

PORT 2312 Intermediate Portuguese II (3 semester credits)

Prerequisite: PORT 2311 or the equivalent or demonstrated competence approved by the instructor.

This is the fourth semester of academic transfer Portuguese. This course is a continuation of PORT 2311. The stress is on reading, composition, grammatical complexities, and intense oral practice, with continued studies of the culture.

* Note that **PORT 1311** and **PORT 1411** are identical courses, except that the first is a three-credit hour version and the second is a four-credit-hour version. The same applies to PORT 1312 and PORT 1412. What this means is that the course content is the same for both the first and second course in each pair; what is different is the number of lab hours (and consequently overall hours) necessary to satisfy course time requirements. In most cases, students in a Study Abroad context will be well-served to opt for the three-credit-hour courses.
