

Top 10 Reasons to Study in Spain

1. You can shock your parents by bragging about all the "tapas" bars you went to - they will think you said "topless" bars!
2. Best windmill-tilting terrain in the world for you extreme sports enthusiasts!
3. Go to Andalusia and pretend you're Debra Winger in Bertolucci's "The Sheltering Sky", but without all the pesky flies.
4. Learn how to say that line in "Strictly Ballroom": "vivir con miedo es como vivir a medias"!
5. Learn flamenco dancing for your audition for "So You Think You Can Dance"!
6. No one cares if you have a lisp - you'll fit right in!
7. If you don't have a lisp, you can get one in Spain - and fit right in!
8. Europeans like to vacation there, so you'll meet people from all over without ever leaving the warmth of Costa Brava.
9. Cheap Spanish wine is way better than cheap Mexican beer.
10. The nightlife of Madrid, the modern art and architecture of Barcelona, & the beauty, climate and history of Cordoba! (three reasons all rolled into one!)
