

## TOP 10 REASONS TO STUDY IN SPAIN:

1. Only in Spain will a word such as "pescado" be pronounced as such in the North, yet lose 1/2 the letters and be pronounced "pecao" in Andalucia
2. After a night of clubbing at the discotecas you can go get fresh churros with thick chocolate sauce to cure that hangover
3. You can observe a wide variety of hairstyles, from the mullets and rat tails in Andalucia to the clean cut hair in el norte
4. Spanish is one of the only languages you can speak in Europe, Latin America, and of course let's not forget North America
5. Spain is the only country where people actually volunteer to be chased by los torros
6. Spain is the only place where you make family faster than friends
7. you can watch flamenco shows and clap to the the rhythm of the dancers and music while drinking tinto and eating tapas
8. It has the 3rd oldest cathedral in the world in Sevilla, that may even have Columbus' remains, yet more American tourists flock to the Starbucks across the street than the historical site.
9. Spain is the only place where you can get dressed up for a carnival and win prizes such as teddy bears, toys, and oh yes, MEAT!
10. Only in Spain can you have an associate at El Corte Ingles tell you clothes are on "el primer piso" and expect you to know that that is the second floor in Spain, not the ground floor like in America.
