### Scholarship Information

Yes, we offer scholarships. We offer scholarships directly to students AND we grant scholarships to academic institutions through the AmeriSpan Collegiate Scholarship Fund. AmeriSpan will award more than \$100,000 in scholarships to university and college study abroad departments. Your college will determine which students are eligible to receive these scholarships. For more information, go here: [www.amerispan.com/scholarships](http://www.amerispan.com/scholarships) .

### Add-Ons

## 2012 SALUD Medical Spanish/Portuguese Price Sheet – Page 4

Current as of 4/12/12. All prices are in US Dollars and are subject to change.

We know that medical students rarely have much time. However, in most locations it is now possible to add on additional weeks of classes and/or clinical observation! Maximize your experience, deepen your immersion and get more clinical exposure for just a slightly longer commitment!

### Other Locations & Other Languages

If you can't find the destination or language you want, we can usually offer medical vocabulary at any of our language programs. In general, you would take a group language programs and then add on 5-10 private classes per week. Please note that some locations charge a 10-20% surcharge for specialized private classes, so check with us for pricing.
