

Important Note:

The following schedule of classes, activities, and excursions is subject to change and substitution. In order for you to get the most out of the medical portions, you should be at least a **Mid-Beginner** level Spanish speaker (approximately a semester of Spanish in college, or 1 year of high school Spanish or a 2-week immersion program). If you are currently at a level below Mid-Beginner, you may still apply, but we strongly recommend that you also register for at least an additional 2 weeks of classes prior to the start of the SALUD program.

The program can be done for as short as two weeks or as long as six weeks.

NOTE: Due to legal reasons in Spain, this program does not incorporate clinical observation.
