

# Program for Spanish Teachers

## Salamanca, Spain

### Program Purpose

This program is designed for non-native Spanish teachers who wish to expand upon and update his/her knowledge of second language methodologies and theories. The program provides professional support, giving and exchanging information on the development and new uses of Spanish and touching on the most controversial formal aspects of Spanish grammar. The current cultural, political, social and economic situations in Spain and Latin America are key elements of the program. Topics discussed during the program will enrich any classroom back home.

### Program Highlights:

- **LECTURES & WORKSHOPS** – 20 hours each week of lectures and workshops in Spanish relating to Spanish culture, the educational system, methodology, curriculum, implementing tools in the classroom, homework, teaching materials, and more.\*
- **HOMESTAY** - lodging with a local Spanish family, includes a shared room, 2 meals daily, and laundry.

### Who May Participate?

This program is open to Spanish educators or education students planning to teach Spanish who have at least a high intermediate language level.

\*Please note, classes, lectures and workshops may be in the mornings or afternoons. Exact schedule will be given onsite.
